

Kevin is very hungry after work. He decides to order food on GrubHub

Kevin orders food from a place on the way home from his work

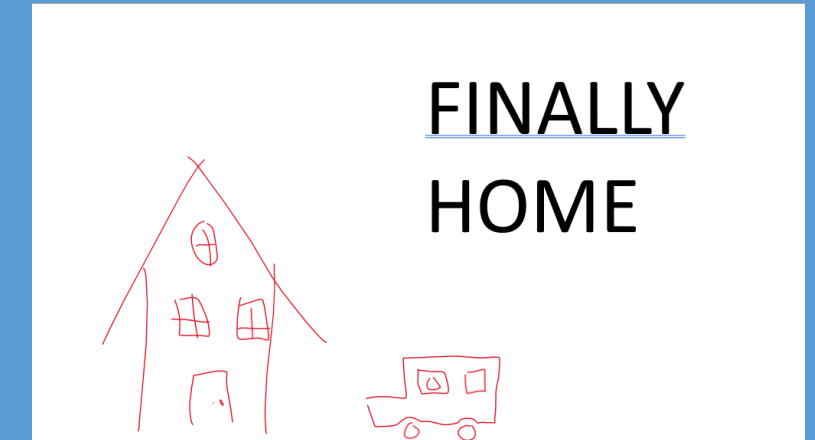

He arrives at the restaurant at the specified pick up time

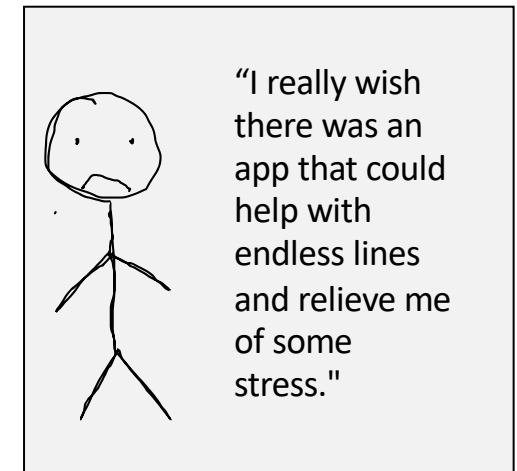

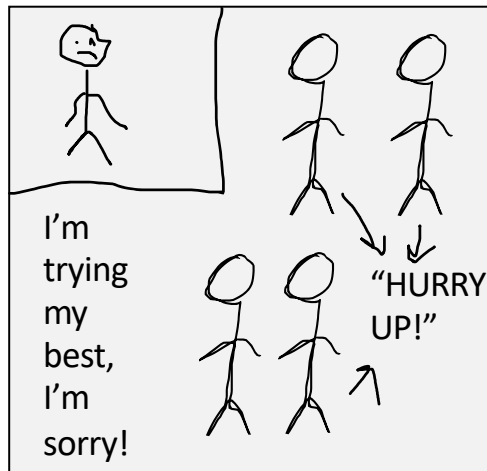

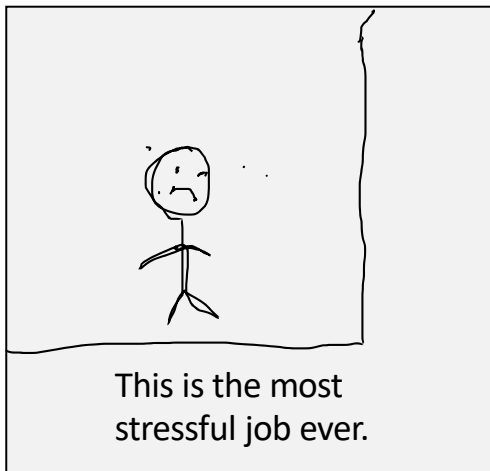

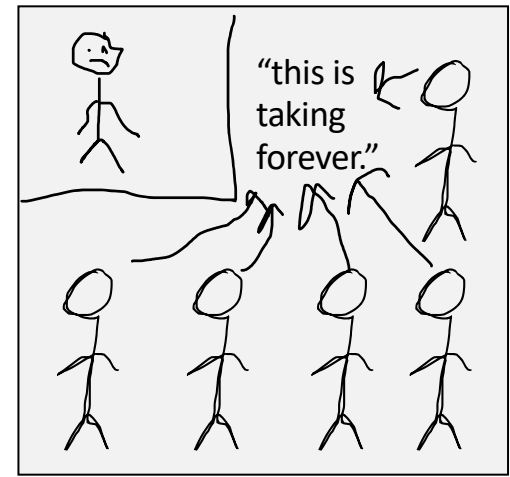

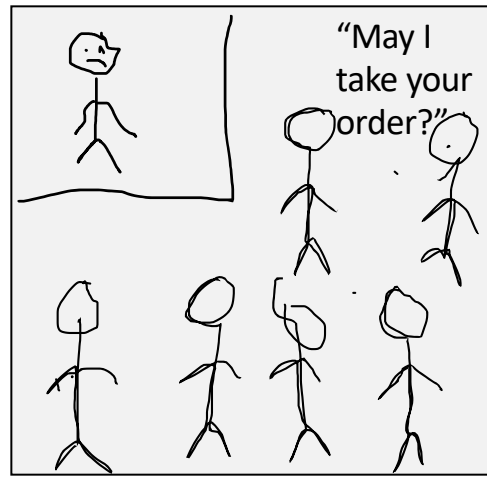

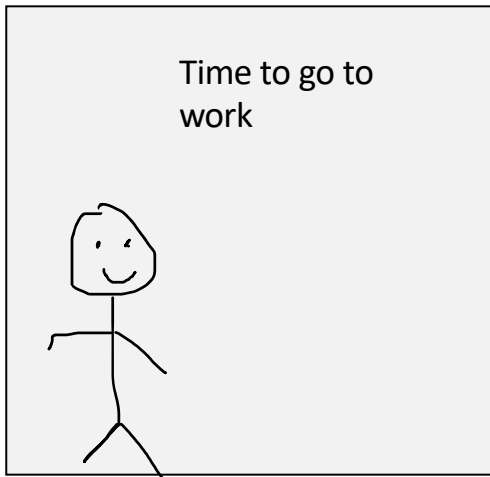

Kevin goes inside and discovers his food isn't ready. He is enraged

Kevin waits over 30 minutes to get his food. He uses our app to report inaccurate wait times to other users

Kevin finally makes his way home tired and hungry. He should have checked the app before he ordered

10 Minutes later...
